Supporting children with critical illnesses

HELP US, HELP CHILDREN WITH CRITICAL ILLNESSES

Together with Team Rynkeby, your company has the opportunity to participate and take responsibility in the fight for children with critical illnesses.

For more than 20 years, Team Rynkeby has helped children with critical illnesses – primarily with funds for research into childhood cancer. Through the years, Team Rynkeby have collected more than 75.5 million Euro for children with critical illnesses. Read more about Team Rynkeby at www.team-rynkeby.dk

Team Rynkeby's riders and service crew are all ambassadors for the charity organizations they support. By engaging the participants' families, local neighbourhoods and networks, they give the organizations the strength to initiate long-term research work, e.g. six out of seven children diagnosed with cancer today survive. But half experience long-term effects, which is why a part of Team Rynkeby's funds in recent years have been used for completely new research projects targeting long-term effects.

TEAM RYNKEBY – A EUROPEAN BIKE PROJECT

Team Rynkeby is a European charity bike team. Every summer, we cycle to Paris to raise money for children with critical illnesses.

Team Rynkeby was founded in 2002 when 11 amateur cyclists associated with Rynkeby Foods decided to cycle to Paris to see the final stage of the Tour de France.

Team Rynkeby is a non-profit foundation and annually distributes approx. 10 million euro for children with critical illnesses.

All participants in Team Rynkeby cover their own costs, while the project's main costs are shared between Eckes-Granini, through its brands Rynkeby, God Morgon, Hohes C, Granini, and the charity organizations Team Rynkeby support. There will never be spend more than 12 % of the collected funds for administration.

In 2022 there were more than 2,000 riders and 500 service crew on 62 teams in nine countries from Denmark, Sweden, Finland, Norway, Iceland, the Faroe Islands, Germany, Switzerland and Belgium.

USE YOUR SPONSORSHIP

As a sponsor of Team Rynkeby, you don't just give money to a great cause. You help create more visibility around the benefits of having a healthy lifestyle and also give children with critical illnesses more focus throughout Europe.
